

TITLE 67 - NEBRASKA EMERGENCY MANAGEMENT AGENCY – ADDITIONAL FACILITIES SUBJECT TO EMERGENCY PLANNING REQUIREMENTS

CHAPTER 3–NOTIFICATION AND REPORTING REQUIREMENTS

001 Subject To Emergency Planning Requirements- The owner or operator of an additional facility designated in this title shall provide notification to the commission that it is subject to the emergency planning requirements of SARA Title III, Section 302 and 303, and these rules. Such notification shall be in writing and be provided within sixty (60) days after the additional facility first becomes subject to the requirements, unless the additional facility designation chapter(s) of this title require more stringent requirements.

002 Representation- The owner or operator of an additional facility shall designate a representative who will participate in the local emergency planning process as a facility emergency response coordinator. The owner or operator shall notify the Committee(s) having jurisdiction over the additional facility of the representative in writing within thirty (30) days of establishing operations within the state.

003 Changes in Facility- The owner or operator of an additional facility subject to this title shall promptly inform the Committee(s) having jurisdiction over additional facility of any changes at the additional facility which may be relevant to emergency planning.

004 Reporting Requirements- Upon request of the Committee(s) having jurisdiction over the additional facilities, the owner or operator of an additional facility subject to this title shall promptly report to the Committee(s) in writing any information necessary for development or implementation of the Local Emergency Operations Plan (LEOP).
